DIRECTORY OF NATIONAL AND STATE MEDICAID OFFICIALS
AND ORGANIZATIONS

Information
Resource
Center

This is the third edition of the expanded National and State Medicaid Directory. The names and addresses were compiled from the States and organizations listed herein. The listings reflect their current status as of August 1, 1985. HCFA's Office of Intergovernmental Affairs will periodically update this Directory to reflect any changes. Because there is usually a large turnover of individuals, we would encourage all users to check with the States or organizations for their most recent data.

If you have any questions about the Directory, please send them to:

Health Care Financing Administration
Office of Intergovernmental Affairs

We hope that you will find this Directory useful.
